Built for consequential decisions.

IVMAR Group LLC is an institutional advisory firm headquartered in Dubai, serving organisations, investors and principal families across the Middle East, Europe, Africa and Asia.

We advise where strategy, governance, capital and cross-border execution meet. Our role is to bring evidence, structure and senior accountability to decisions whose consequences extend beyond the next quarter.

Every engagement begins with a clear mandate. Recommendations are documented, assumptions are made explicit and delivery remains aligned with the client's objectives, confidentiality requirements and governance obligations.

One firm. A clear mandate.

Independent advice, disciplined execution and long-term partnership from Dubai.

Cross-border capital and partnership structures.

06 REAL ESTATE
Institutional portfolios and development strategy.

07 TECHNOLOGY
AI, digital infrastructure and future industries.

From mandate to stewardship.

A five-stage approach that preserves clarity, accountability and continuity.

01

Mandate

Define scope, decision rights, objectives and success criteria.

02

Diligence

Test evidence, counterparties, regulation and downside scenarios.

03

Design

Build an integrated strategic, governance and execution architecture.

04

Execution

Support negotiation, approvals, delivery and institutional adoption.

05

Stewardship

Monitor outcomes and adapt as markets, leadership and rules evolve.

Trust is designed into the work.

Principles that govern every engagement and every recommendation.

01 INDEPENDENCE

Advice aligned with the client mandate;
potential conflicts addressed transparently.

02 CONFIDENTIALITY

Sensitive information handled through defined
access, documentation and retention controls.

03 SENIOR ACCOUNTABILITY

Clear ownership and direct senior involvement
throughout the engagement.

04 COMPLIANCE DISCIPLINE

Applicable regulatory, AML, KYC and sanctions
considerations integrated into delivery.

05 EVIDENCE & RECORDS

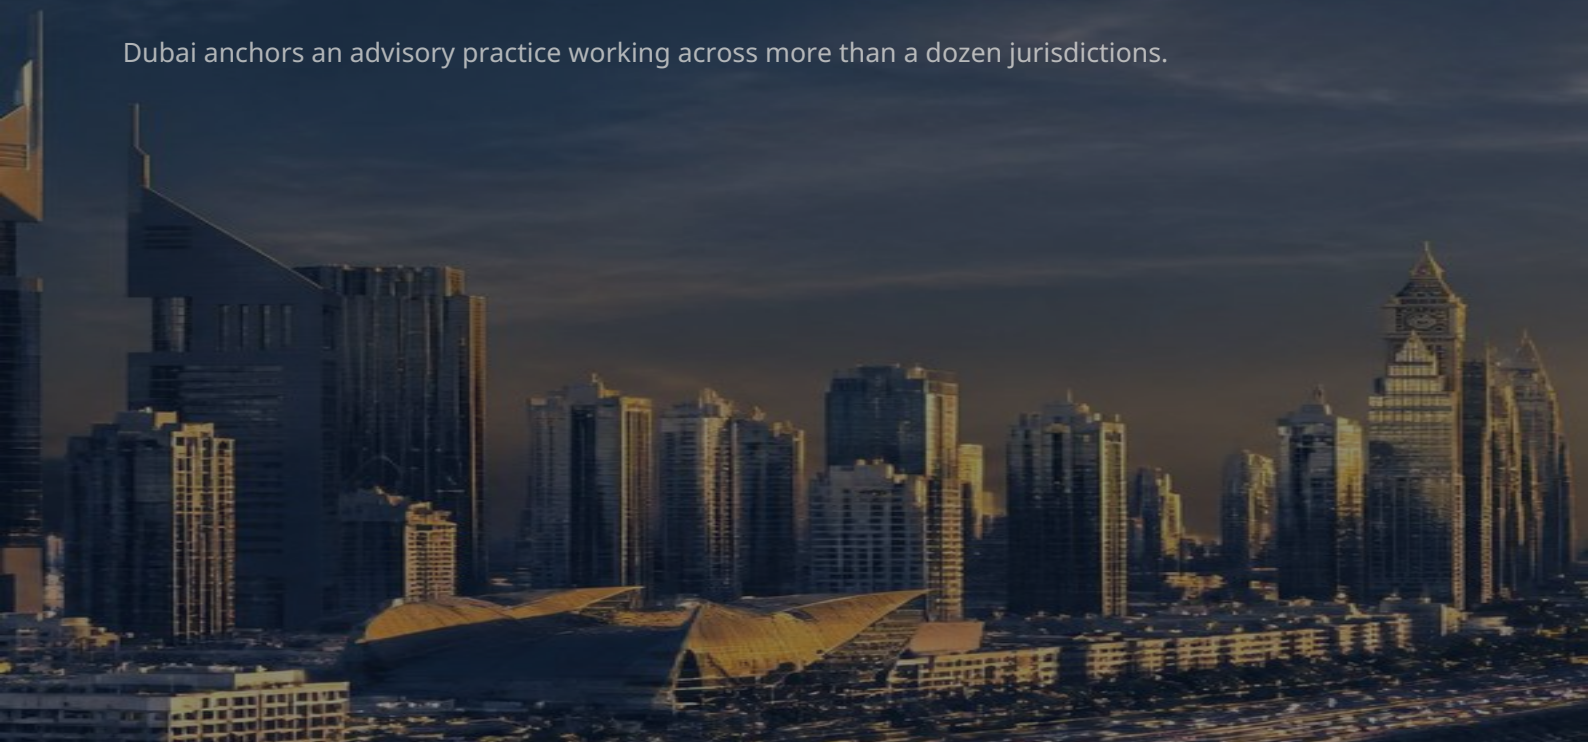

Recommendations supported by documented
reasoning, sources and assumptions.

06 CONTINUOUS REVIEW

Governance and execution reviewed as facts,
obligations and priorities change.
